

0-100km/h acceleration time (s) 5.9

Seat lay-out 2+3+2

Approach angle (°) 22.5

Departure angle (°) 22.4

Curb mass (Kg) 2660

Max-total mass (Kg) 3205

Battery capacity(kWh) 99kWh

Motor power 160kW+ 245 kW

Maximum torque(N·m) 300+450

Tire Spec. R21

Driving range (WLTP) 440

OBD

Alternating discharge

220V Power supply

Euro CCS2 charging port

Battery pack heating

Electric intelligent four-wheel driven

Electric assisted steering

Braking energy recovery system

Electronic shifter

Leather steering wheel

Automatic adjustable steering wheel

Steering wheel position memory

Multi-function steering wheel switch

Steering wheel heating

Tire repair kit

HONGQI
— since 1958 —

- Panoramic camera
- R21 Aluminum alloy wheel
- Self-priming lock
- Pop-out hidden door handle
- Roof rack
- Trailer hitch
- Open-door warning
- Front/Rear electric window
 - Anti-pinch window
- Rear wiper
- Sensing wiper
- Panoramic sunroof
- Uv/heat resistant glass
- Front acoustic glass
- Rear privacy glass
- Auto defog windshield
- anti-glare interior rearview mirror
- LED Intelligent make-up mirror and LED light
- Front row cellphone wireless charging
- row 12V power supply
- cup-holder

- Front row pull-up storage bag
- Front seat position memory
- Front seat heating
- Front seat electrical adjustment

- 2nd row seat heating
- 2nd row seat back folding
- 3rd row seat back folding

- Headlamp height adjustable
- Matrix intelligent LED headlight
- pro Daytime running light pro
- Automatic light
- Intelligent high-beam light
- Front grille breathing light
- Interior door-panel light
- Internal reading light
- Internal ambient light
- C pillar light
- Trunk light
- Exterior mirror welcome light
- LED side step welcome light
- Auto-adjustable Internal ambient light

- Air quality improvement
- Console & B pillar outlet
- Four temperature zone control
- 2nd row outlet
- C pillar outlet
- Rear ventilation and heating function
- Internal temperature sensor
- External temperature sensor
- Internal humidity sensor
- Sunshine sensor
